- AI-assisted workflow development
- 3D visual project support
- Creative team handovers

PROFESSIONAL EXPERIENCE

Project Manager • **Aaquib Wani Design Studio** — July 2026 – Present

New Delhi, India

- Support initial client conversations and requirements gathering, clarifying project scope, key deliverables, and deadlines.
- Coordinate internal communication, follow-ups, and daily studio operations across branding projects, live events, and artist collaborations.
- Maintain project visibility by tracking open items, action points, and aligning next steps with cross-functional design and production teams.
- Work closely with the Founder's Office to support studio workflow tracking and project delivery.

Partner Growth Lead (Creative Project Delivery & Operations) • **Verseatile** — February 2024 – July 2026

Remote / Hybrid

- Managed day-to-day relationships across 5 to 6 concurrent client accounts as key point of contact, coordinating briefs, approvals, timelines, and deliverables.
- Coordinated campaign delivery from ideation and moodboards through pre-production, shoots, post-production, publishing, and reporting.
- Sourced and coordinated production, photography, editing, and print vendors; managed cost tracking, schedules, and deliverable quality.
- Managed social content execution across Instagram, Pinterest, Facebook, X, and LinkedIn, including content calendars, copywriting, publishing, and reporting.
- Supported client onboarding, requirement gathering, intern onboarding, and operational workflow documentation; retained key client relationships throughout the tenure.
- **Selected Client Accounts:** LumeHaus, Backcourt, UTXOS, Athrux, Flixx, and DateDash.

Content Operations Consultant • **The Pioneer / Daily Pioneer** — September 2025 – February 2026

Remote

- Coordinated five daily publishing workstreams across editorial, design, copywriting, proofreading, and digital publishing, working with 10+ contributors.
- Improved coordination and handovers between print, website, content, design, and social media desks to support smoother delivery across concurrent schedules.
- Documented operational workflows, clarified approval routes, and helped resolve inter-departmental communication gaps to reduce publishing friction.

3D Artist & Creative Direction • **GRIDOFFGRID (Independent Practice)** — March 2023 – July 2026

Remote / India

- Developed 3D visual content and creative direction for independent projects and clients across fashion, digital, and interactive media.
- Coordinated designers, photographers, and motion artists, aligning feedback, project timelines, and final asset deliverables.
- Maintained project documentation and supported visual development across collaborative workflows.
- **Selected Projects / Clients:** DRESSX, DRKMT, Lino Perros, Growster, and Little Unusual.

ADDITIONAL & EARLIER EXPERIENCE

AR Module Faculty • **World University of Design** Oct 2025 – Dec 2025
Taught and supported an undergraduate AR module, guiding students through practical digital project workflows.

Clo3D / Course Instructor • **The Designer's Class** Jul 2024 – Jan 2025
Instructed learners in Clo3D software and digital fashion skills, facilitating course modules and student feedback.

Business Development Assistant • **Bharat Petroleum Corporation Limited** Oct 2022 – Aug 2023 | Rampur, UP
Supported sales outreach, marketing operations, and client management workflows. Assisted with organizational coordination, business management, and quality management processes across regional operations.

Sales and Marketing Executive • **Amore Bathrooms and Tiles** May 2022 – Sep 2022 | UK
Coordinated B2C and B2B campaign delivery, promotional materials, timeline tracking, and client account sales support.

Sales and Marketing Representative • **ARK Promotions Ltd** Sep 2021 – Apr 2022 | Manchester, UK
Promoted products and services, supported client outreach, maintained sales records, and assisted with promotional assets.
